

Form B - Experience and Qualifications Form

1. Experience Requirements

The Supplier must have the following experience in order to be considered for award of the Contract:

1. The Supplier must have a minimum of five (5) years of active experience as a company in providing the required services.
2. The Supplier must be a certified ASSA ABLOY Security Partner. The Supplier is required to confirm this in Ariba and provide proof of credentials upon request.
3. The Supplier must confirm its capacity to support operations 24 hours a day, 7 days a week, recognizing that the Division's work often requires services outside of standard business hours and under urgent timelines.

Failure to demonstrate the experience requirements will result in bid being declared non-compliant.

2. Experience / Comparable Contracts

The Supplier must provide reference contracts for the purpose of confirming the Supplier's experience and track record of success. The Supplier shall provide the requested references for clients who have obtained Deliverables similar to those required for the RFQ from the Supplier in the last **five (5)** years. Failure to provide verifiable experience may result in the bid being declared non-compliant.

The Supplier must provide a minimum of two (2) past contracts demonstrating a clear understanding of, and experience working within, shelter-related environments, including but not limited to shelter sites, hostels, respites, or hotel sites. This should include experience performing work at varying scales and the ability to respond to requests on short notice.
